## ALL SEASON TURNOUT DOOR

- The same proven construction and reliability as our E1HDL entry doors
- The All Season Turnout Door is made up of 2 panels
  - Large panel for use during warmer months for more bird flow
  - Small panel for use during colder months to help minimize heat loss
- Bump rail on inside of door to guard against bird decapitation

## SINGLE PANEL TURNOUT DOOR

- 1- 5/8" capped edge polyurethane injected door panel—R-11 insulation value
- Offered in two configurations
  - Hinged
  - Sliding
- Felt on sides of sliding panel makes panel movement much easier
