Available UV Stabilized PVC Frame

Cord guide installation tool

Integrated Felt and Latch

Fast Track Wall Vent

Our Fast Track Wall Vent (U.S. Patent No. 11,333,392) takes the concept of a wall vent to the next level. It comes fully assembled right out of the box, goes up very quickly and is very competitively priced.

- Available with an aluminum or UV Stabilized PVC frame
- Integrated track cord tensioner/locator
- Integrated winter latching system
- Cord guide included along with installation jig to speed up installation
- Superior performance
- 8", 10", 12", 14" heights with custom lengths available
- Perfect for retrofit applications--the wall vent is surface mounted to compensate for framing irregularities and can be ordered to fit virtually any opening
- Orders come bulk-packed in palletized gaylords to make it easier and faster on installation crews

(See Reverse for Fast Track Ceiling Vent)
