## WINDOWS - FLUSH AND LAP STYLE

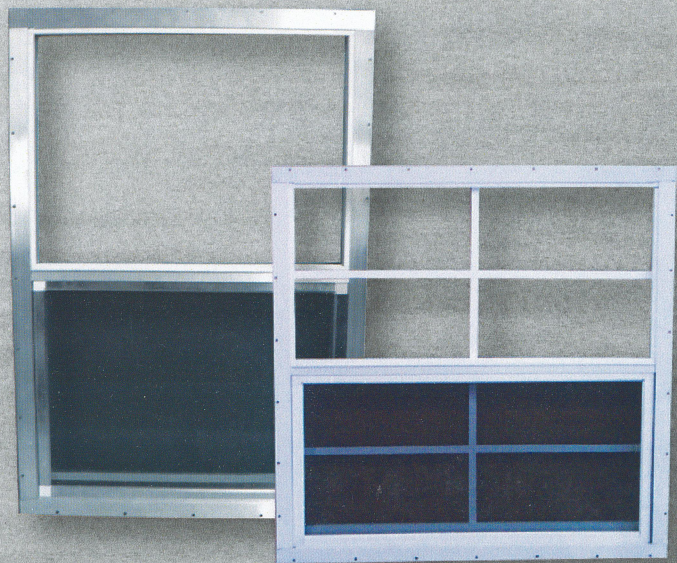

Eagan Manufacturing vertical sliding windows are constructed with .040 thick all aluminum frames and are available in a wide range of standard sizes. Custom windows can be built up to 48 x 48. All windows come complete with pre-drilled mounting holes, locking latches and installed screens.

### Specifications:

- .040" thick aluminum frame
- pre-drilled mounting holes
- 2.3mm thick glass
- installed screens
- locking latches

### Windows are constructed for use in:

- office trailers
- portable buildings
- travel trailers
- shops and garages
- deer blinds
- ice fishing houses
- other structures which do not require expensive insulated windows

\*Available in White, Bronze, and Mill (Bronze and White available with or without a decorative grid)

### Standard Size Options

22 ¼ x 24	24 x 27	30 x 36
22 ¼ x 27	24 x 36	30 x 40
22 ¼ x 36	24 x 54	36 x 36
24 x 24	30 x 27	40 x 40

\*When measuring actual opening sizes for windows, add 1/2" to width and 1/4" to height.
